

The Green Branch

The Green Branch

Certificate

Certif. number: TGB1544587LIV

17-06-2026

The undersigned declares that
The Green Branch has compensated the
carbon emissions of:

LiveMore

Namely,

228 tonnes CO₂

is captured out of the atmosphere in one of
our certified nature-based solution projects.
Thank you for contributing to our mission to
empower ecosystems for a better future and
healthy planet!
